Professional Development Scholarship Opportunities for Washington State Treatment Providers

Thank you for your interest in the professional development scholarship opportunities for Washington State treatment providers to attend the **Focus on the Future– TOGETHER!** conference April 24–27, 2017. The scholarships were established, with the support of Washington State Behavioral Health Administration, to encourage and support participation by professionals who have applied to become a Washington State certified gambling counselor and hold a current certificate or license issued by the State of Washington to provide mental health or chemical dependency treatment services to the public.

Applications for certification are available online at www.evergreencpg.org or by calling the Evergreen Council on Problem Gambling (ECPG) at 360.352.6133. Treatment providers with applications on file by April 7 2017, are eligible. A limited number of professional development scholarships are available (total value up to \$650) that will include:

- Registration for up to four days (pre-conference and main conference—April 24–27, 2017).
- Washington State Gambling Certification application fees (for those who have not yet applied).
- Hotel stipend of \$50 per night, up to three nights, for any scholarship recipient who books his/her room at the Hotel RL - Olympia. Additional lodging costs, meals, and travel expenses are the responsibility of the attendee.

CONTINUING EDUCATION/CERTIFICATION

All Evergreen Council on Problem Gambling (ECPG) workshops qualify toward the 30 hours of gambling-specific education required by the Washington State and National Problem Gambling Certification Boards. ECPG is an Approved Provider of Continuing Education by The Association for Addiction Professionals (NAADAC) and the National Council on Problem Gambling (NCPG). Our workshops have also been approved for continuing education by the Addictions Counselor Certification Board of Oregon (ACCBO) and the American Academy of Health Care Providers in the Addictive Disorders (AAHCPAD). TOGETHER! is an Approved Provider of Continuing Education by the National Commission for Health Education Credentialing (NCHEC) to provide CHES credits, and by the Professional Educator Standards Board (PESB) to offer clock hours for educators.

Don't miss this opportunity to learn in an exciting setting and meet other treatment providers, researchers, and leaders in the field. For more information on professional development scholarship opportunities, contact ECPG at 360.352.6133 or visit www.evergreencpg.org.
